Bihar Chief Minister Nitish Kumar is likely to form the new government in the State next week with the support of the BJP by once again ditching his alliance partners RJD and other members of the Mahagathbandhan.

Sources said the final round of talks are under way between the JD-U and BJP and is likely to be finalised by next week. "The next Bihar government is likely to be an alliance of the JD-U, BJP and Hindustani Awam Morcha Secular (HAMS) alliance," sources said. The JD-U has 45 MLAs, BJP has 76 and HAMS has four, putting them at 125. The Bihar Vidhan Sabha has 243 seats, while 122 MLAs are required to form the government.

On Friday, Chief Minister Nitish Kumar also attended the High Tea party at Raj Bhawan on Republic Day and was accompanied by Ashok Choudhary.

Sources said Nitish Kumar has also discussed the possibility of forming the new government with Governor Rajendra Vish-

### Mamata downplays Nitish move

KOLKATA: Amid strong rumours of Bihar Chief Minister and JD(U) chief Nitish Kumar quitting the I.N.D.I.A bloc and reuniting with the BJP in the State, West Bengal Chief Minister Mamata Banerjee said on Friday that the eventuality of Kumar's exit will not affect the op-

position bloc much. "I think Nitish Kumar has lost his credibility in the eyes of the people of Bihar. If he quits, it will be easier for Tejashwi Yadav to operate smoothly in Bihar," Banerjee told media persons on the sidelines of an R-Day event at Raj Bhavan. IANS

### RJD urges CM to clear the air

PATNA: The Rashtriya Janata Dal (RJD) has urged Chief Minister Nitish Kumar to "clear the confusion" that was casting a shadow on the ruling Mahagathbandhan in the State. RJD Rajya Sabha MP Manoj Kumar Jha said he expected Kumar, who heads the JD(U), to make a clean breast of rumours

that he was planning to vault back to the BJP-led NDA. "We formed a government together for the welfare of the people and to defeat the BJP. The prevailing confusion is affecting public life in Bihar. Only the Chief Minister can dispel the confusion. We hope he will do so by soon," he said. PTI

NEW DELHI

India celebrated its 75th Republic Day on Friday with a grand display of Nari Shakti, rich cultural heritage and military might comprising missiles, warplanes, surveillance gadgets and lethal weapon systems with French President Emmanuel Macron gracing the occasion as the chief guest.

The Republic Day Parade at the Kartavya Path in the heart of the national capital commenced with President Droupadi Murmu taking the salute shortly after she and

Macron, flanked by the President's Bodyguards, arrived in a traditional buggy.

Prime Minister Narendra Modi, Defence Minister Rajnath Singh, several other union Ministers, the country's top military brass, foreign diplomats and senior officials were among those who witnessed the impressive show, which also included a fly-past by helicopters and other aircraft, with even a dense fog cover failing to dampen the spirits of the spectators.

Soon after, Murmu and Macron left Kartavya Path

in the buggy, which made a return after 40 years. After the end of the parade, Modi, wearing a multi-coloured 'bandhani' print safa, mingled with the excited crowd as people clicked pictures and welcomed him with claps and slogans of 'Bharat Mata Ki Jai'.

For the first time, an all-women tri-services contingent marched down the ceremonial boulevard reflecting the country's growing Nari Shakti (women's power). In another first, the parade was heralded by over 100

women artistes playing Indian musical instruments such as 'shankh' and 'nagada' instead of traditional military bands.

The first Army contingent leading the mechanised column was the 61 Cavalry, which was raised in 1953. It was followed by 11 mechanised columns, 12 marching contingents and a fly-past by advanced light helicopters of the Army Aviation Corps. The T-90 Bhisma tanks, NAG missile systems, infantry combat vehicles and all-terrain vehicles were among the key displays. PTI
