బుర్రబుర్రకో 'టెంపర్ మెంట్'. కొందరు ఇట్టే జనంలో కలిసిపోతారు.
మరికొందరు సమూహంలోనూ ఒంటరిగా మిగిలిపోతారు.
కెరీర్ చుట్టూ తిరిగే జీవితాలు కొన్ని.

Kiran: Well, it depends. Sometimes ...

ఇంగ్లీష్ మాట్లాడదాం

Sameer: You can't get it from outside.

Kiran: Will you tell me about temper?
Sameer: About temper?

Kiran: It's related to behaviour.
Sameer: Not temper. Temperament.

Kiran: Okay, got it.
Sameer: What do you know about our friend Bhaskar?

Kiran: He talks a lot. Loves meetings, gatherings, parties and functions.
Sameer: Mingles with everybody.

Kiran: An extrovert, if I'm not wrong.
Sameer: He's sanguine. That's his temperament.

Kiran: He wants thrill all the time, doesn't he?
Sameer: Have you observed how Suresh behaves?

Kiran: The only thing he talks about is goal or career.
Sameer: He's good at studies as well as sports.

Kiran: He's a successful fellow.
Sameer: Yes. He's an achiever.

Kiran: You can't pull him out of his study room in exam season. He's so decisive.
Sameer: He's choleric. That's his temperament.

Kiran: Unlike Gopal who is easy going. Whom you can pull out, exam season or not.
Sameer: Unemotional at times. He's phlegmatic. That's his temperament.

Kiran: Have you observed Ramu?
Sameer: He looks sad and gloomy more often than not.

Kiran: Has he no joy or happiness in life?
Sameer: Are you sure you have joy and happiness in life?

Kiran: Well, it depends. Sometimes ...
Sameer: You can't get it from outside.

Kiran: What do you mean?
Sameer: That should come from within.

Kiran: Not from external pleasures, possessions and so on?
Sameer: No. It depends on your mental makeup.

Kiran: You're resorting to philosophy.
Sameer: No, I'm delving into the secret of joy and happiness.

Kiran: But we're deviating.
Sameer: Deviating from?

Kiran: Gloomy Ramu.
Sameer: He's reserved.

Kiran: But I find him thoughtful and sensitive as well.
Sameer: You couldn't be more right. He's melancholic. That's his temperament.

Kiran: Is temperament inborn?
Sameer: It's innate but you can change your temperament with awareness and conscious effort.

VERY ODD!

Raju: It has days and hues. What is it?
Giri: Days and colours?

Giri: Sins and rishis? Very odd!
Raju: It is not even.

Raju: Seven!
