MEA monitoring status of minorities in B'desh

Jaishankar says Hasina to stay in India for now

NEW DELHI

India is "deeply concerned" over the situation in Bangladesh, especially about the status of the minority communities, and is in regular touch with authorities in Dhaka, External Affairs Minister S Jaishankar said on Tuesday, a day after Prime Minister Sheikh Hasina resigned and landed at the Hindon airbase near Delhi.

In India's first reaction to the dramatic developments in Bangladesh, Jaishankar, in suo-motu statements in both houses of Parliament, said Hasina decided to resign after a meeting with leaders of the security establishment and requested for approval "at very short notice" to come to India "for the moment". "We are also monitoring the situation with regard to the status of minorities. There are reports of initiatives by various organisations to ensure their protection and well-being," he said. "We welcome that, but will naturally remain deeply concerned till law and order is visibly restored. Our border guarding forces have also been instructed to be exceptionally alert," he added. Temples vandalised, women assaulted

DHAKA: A number of Hindu temples, households and businesses were vandalised, women assaulted and at least two Hindu leaders affiliated with the Awami League party killed in violence in Bangladesh following the ouster of Prime Minister Sheikh Hasina, community leaders claimed on Tuesday. "We have compiled some incidents of the vandalisms in different parts of the country exposing the Hindu and other minority communities to anxiety," Bangladesh Hindu Buddhist Christian Unity Council leader Kajol Dabnath said on the margins of a meeting of the group here. Two Hindu leaders, who were incidentally leaders of Hasina's Awami League party, were killed in Sirajganj and Rangpur. PTI

Parliament dissolved, interim govt soon

DHAKA: Bangladesh President Mohammed Shahabuddin dissolved Parliament on Tuesday paving the way for fresh elections and an interim government was taking shape, a day after Prime Minister Sheikh Hasina abruptly resigned and fled the country following weeks of violent anti-government protests. As the army took charge on Monday and the death toll in the violence in which temples were also attacked rose to 440, the Anti-Discrimination Student Movement that spearheaded the massive protests said 84-year-old Nobel laureate Mohammad Yunus has agreed to head the interim government. President Shahabuddin met the key coordinators of the student movement at 'Bangabhaban' in the evening to discuss the current situation and the shape of the interim government, media reports said. IT exports fall by Rs 30,758 cr

STATE BUREAU
Hyderabad

Even as the Congress government in the State said the growth of IT exports from Telangana was much higher than the national average, citing only cumulative figures from 2014-15 to 2023-24, the truth is that the last one year actually saw a sharp and alarming decline not just in IT exports from the State, but also in the number of new IT jobs created here.

IT exports from the State, which were worth Rs 57,706 crore in 2022-23 dipped sharply to Rs 26,948 crore in 2023-24, a decline of Rs 30,758 crore! As for IT employment, 1,27,594 new jobs were created in 2022-23, while in 2023-24, this fell to 40,285 new jobs, a fall of 87,309 jobs.

Interestingly, IT Minister D Sridhar Babu, speaking at an event in the city on Saturday, glossed over the alarming decline in 2023-24 in both IT exports and new IT jobs, and instead, spoke of only the cumulative figures. He chose to point out that while the country registered a single-digit growth rate, Telangana's IT exports

had increased by 11.28 per cent. The State IT/ITeS exports, he said, were valued at Rs 2.70 lakh crore in 2023-24, and employment increased to 9.5 lakh, compared to the last financial year. Though the figures are right, the fact is that this is a cumulative figure, and compared to 2022-23, there was a dip in both these aspects in 2023-24. In fact, even the 11.28 per cent growth was much less compared to the 2022-23 financial year, when Telangana's IT exports were worth Rs 2,41,275 crore, which was a growth of 31.44 per cent over the previous fiscal year. Pointing out the alarming decline, BRS working president and former IT Minister KT Rama Rao asked the Congress government to focus on the sector. (SEE PAGE 2)

Alampur BRS MLA arrested

STATE BUREAU
Hyderabad

A heated argument between BRS MLA Vijayudu and former Congress MLA SA Sampath Kumar over the release of water from the Thummilla Lift Irrigation Scheme led to the arrest of the former in Rajoli mandal.

The BRS strongly condemned the incident, urging the State government to follow protocol and initiate action against those responsible for the ruckus. The officials invited both Vijayudu and Sampath Kumar for the ceremony held to

turn on the pumping motors and release water from the Thummilla LIS. While MLA Vijayudu arrived first, officials advised him to wait for former MLA Sampath Kumar. However, Vijayudu questioned the need to wait for the former MLA and switched on the motors, releasing the water before Sampath Kumar's arrival. Later, he reached the RDS (Rajolibanda Diversion Scheme) canal to witness the arrival of the water, but was shocked to find that water did not reach the canal nearly three hours after he released. Govt offers relief on LTCG tax on property sales

NEW DELHI

The government on Tuesday proposed significant relief for individuals who bought houses before July 23, 2024, by giving them the option to choose between two tax rates for long-term capital gains (LTCG) tax. The Budget had proposed to lower the LTCG from 20% to 12.5% but removed the indexation benefits. The new rates have come into effect from July 23, 2024. (REPORT PAGE 8)

Eco-friendly bags for Tirupati laddus

CITY BUREAU
Hyderabad

A new technology developed by the defence research team will now provide eco-friendly and sustainable bags for Tirupati laddus.

rived from petroleum products or plant oils, which will now be used to distribute the famed laddu prasadam.

The technology has already been transferred free of cost to over 40 industries and as part of a pilot project, the Tirumala Tirupati Devasthanams (TTD) decided to adopt it and use biodegradable bags to distribute the laddus. These biodegradable bags have the ability to degrade on their own within three months. Recently, DRDO Chairman Satish Reddy, along with TTD Executive Officer Dr

KS Jawahar Reddy and Additional EO, AV Dharma Reddy, inaugurated an exclusive sale counter at Tirumala. The Defense Research and Development Organisation researchers are hoping that the pilot project will serve as a model for further implementation in tourist destinations, coastal areas, and other regions, promoting the widespread adoption of biodegradable packaging solutions.
